

## R Project Collaborators

List the name(s) of all people you discussed the project with, and the associated question number(s). **If you did not discuss the project with anyone, write NONE on Line 1.**

1. None
2. \_\_\_\_\_
3. \_\_\_\_\_
4. \_\_\_\_\_

Cite any additional references that you used on the project, such as websites used to answer specific questions. Any citation style (APA / MLA / etc) is acceptable. Include the associated question number(s). If you did not use any outside references, write NONE on Line 1.

1. Ana Catarina Vitorino (Oct 31, 2019). Function points() does not show in the plot. Stack Overflow. Retrieved March 9, 2023, from <https://stackoverflow.com/questions/58651533/function-points-does-not-show-in-the-plot>
2. Using qnorm(). (n.d.). Retrieved March 9, 2023, from <https://homerhanumat.github.io/tigerstats/qnorm.html>
3. \_\_\_\_\_
4. \_\_\_\_\_
5. \_\_\_\_\_
6. \_\_\_\_\_

Use another sheet if you have additional people / references you need to include.
